**To Collectors**—Here is a sale of coins with something for each and every collector except the fossilized. There are over a hundred choice foreign silver crowns of dollar size as fine as ever offered; several very rare Pattern coins; some choice paper money; a wonderful variety offered in the collection of monies of the world and mediums of exchange; fine ancient coins; United States coins with many large cents; Stonewall Jackson medal; Colonial and Continental paper money; fine numismatic books; Augustus Humbert $50.00 gold slug of 1852, etc.

This is a real quality sale and I want you to remember my guarantee which is stated below. Read every word of this booklet. At every sale, several collectors express their regrets that they did not bid higher on some items. If you want a coin, you should make your bid high enough, and I will always buy as much below your bid as possible. All bids are faithfully and honestly executed as advantageously for the bidder as possible.

**A commission of 5% will be charged for executing your bids and packing and sending out material.** This charge is very low for the superior services I expect to render for you, and I am sure you will feel that it is justifiable. No charge made on any bids that are not successful.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible, as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to its value.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Some new unsolicited testimonials recently received:

"These are the first coins I bought from you and I hope they won't be the last, for I am very much pleased."

"I am very much pleased with the condition of the Griqua Town coin and also at less than half of my bid."

"Thanks for getting No. 181 at about half of my bid."

"The coins I got from your sale are very satisfactory. I'm only sorry that I didn't let you get all those quarters for me."

"I like your fairness and straightforward methods."

"In my thirty years' experience you are the first dealer who acknowledged you had made a mistake and returned me postage on anything that I had sent back. You certainly live up to your guarantee."

"I wish to thank you for noticing my mistake in bidding and for investigating same."

"Sorry I didn't get more."

**Let me sell your collection or duplicates in these sales.** Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.

**Please bid by the piece unless stated to bid for the lot.**

Here is what they thought of the sale of the Colman Collection of La Crosse, Wis.:

"I have your letter with which you enclosed your check as proceeds on the sale of the L. C. Colman coin collection. You have handled this matter in a very satisfactory manner, and we received more for the collection than we expected."

Yours truly,
